AMNION WOMEN'S CENTER

Diaper Drive

Sizes 1, 4-6 needed

MAY 1-31

Amnion is participating in the World's Largest Diaper Drive to ensure that every child has clean, dry diapers throughout the day.

Our goal is to collect 20,000 diapers throughout the month of May.

We'll take any size diaper, but we especially need size 1 and 4-6. For diaper drop off locations visit the Help Offer Hope Website below.
